### Notes:

- Simultaneous Russian/English translation will be provided at seminars, which are of interest for foreign registrants. Please, see Convention Program for details.
- Films/product reels are usually presented in Russian. Major Hollywood studios' and other international content is usually presented in Russian, but some footage may be in English with Russian subtitles. Local content is presented in Russian, sometimes with English subtitles. Please, see Convention programme for details.

**Attention:** Please, kindly send requests for any specific Russian content (films, trailers, footage) to be screened with English subtitles to [info@kinoexpo.ru](mailto:info@kinoexpo.ru) These requests will be forwarded to distributors and screenings may be arranged accordingly.
